629 Fulton Street

Akron, PA 17501

geethomas326@gmail.com

We truly value and appreciate the community's continued support of our youth football program. The Ephrata Youth Football program is the feeder to our high school program. This is where our kids first fall in love with the game of football. From the ages of 7 to 12 years old they learn the fundamentals of the game with coaches who want to see them succeed on and off the field.

In the 2022 season we had 104 players across 3 levels. 7- & 8-year-olds make up the D-team level with 24 kids, 9- & 10-year-olds make up the C-team level with 35 kids and the 11- & 12-year-olds make up the B-team level with 45 kids. I'm proud to say, this was our 2nd year of unlimited weights for lineman, which means **ALL KIDS** can play football.

Would you please partner with us for our 2023 season? We have been blessed over the years with the community's support with donations and fundraising. We value our kids and want to support and protect them in every way possible. This upcoming year is the last year we can use our current helmets. With that said, we are looking for support to help raise the money needed to get 120 new helmets. One new helmet costs roughly \$300 or more, so as you can see, we can use your support in any way possible. (Below) is listed the different types of sponsorships you can support.

If you have any questions, please email George Thomas, Ephrata Youth President, at geethomas326@gmail.com. All payments can be made out to Ephrata Youth Football.

We thank you for your support and look forward to working with you.

George Thomas
